N.Y. CAPABLE mother must be a healthy mother. The experience of maternity should not be approached without careful physical preparation. Correct and practical counsel is what the expectant and would-

be mother needs and this counsel she can secure without cost by writing to Mrs. Pinkham at Lynn, Mass. MRS. CORA GILSON, Yates, Manistee Co., Mich., writes:

EVERY DAY TALKS.

"DEAR MRS. PINKHAM-Two years ago I began having such dull, heavy, dragging pains in my back, menses were profuse and painful and was troubled with leucorrhœa. I took patent medicines

and consulted a physician, but received no benefit and could not become pregnant. "Seeing one of your books, I wrote to you telling you my troubles and asking for advice. You answered my letter promptly and I followed the directions faithfully, and derived so much benefit that I cannot praise Lydia E. Pinkham's Vegetable Compound enough. I now find myself pregnant and have begun its use again. I cannot praise it enough." MRS. PERLEY MOULTON, Thetford, Vt., writes:

"DEAR MRS. PINKHAM-I think Lydia E. Pinkham's Vegetable Compound is an excellent medicine. I took several bottles of it before the birth of my baby and got along nicely. I had no after-pains and am now strong and enjoying good health. Baby is also fat and healthy."

MRS, CHAS, GERBIG, 304 South Monroe St., Baltimore, Md., writes: "DEAR MRS. PINKHAM-Before taking Lydia E. Pinkham's Vegetable Compound I was

unable to become pregnant; but since I have used it my health is much improved, and I have a big baby boy, the joy and pride of our home."
